

# HP Color LaserJet Pro MFP M479 series

### Lighten your workload, focus on your business

Winning in business means working smarter. The HP Color LaserJet Pro MFP M479 is designed to let you focus your time where it's most effective-growing your business and staying ahead of the competition.

HP Color Laser let Pro M479dw

HP Color Laser let Pro M479fnw

Dynamic security enabled printer. Only intended to be used with cartridges using an HP original chip. Cartridges using a non-HP chip may not work, and those that work today may not work in the future. Learn more at: http://www.hp.com/go/learnaboutsupplies

#### **Highlights**

- · 2 sided printing
- Dual-band Wi-Fi & wireless
- **Embedded Security features**
- HP Roam enabled
- Scan to Sharepoint, email, USB and network folders

#### Built to keep you – and your business – moving forward

- Scan files directly to Microsoft® SharePoint®, email, USB, and network folders.<sup>1</sup>
- Help save time by automating all the steps in a complicated workflow and apply saved settings.
- Print wirelessly with or without the network, stay connected with dual band Wi-Fi and Wi-Fi direct.  $^{3.4,5}\,$
- Print effortlessly from any device, virtually anywhere, to any HP printer securely through the cloud.<sup>6</sup>

#### HP's best-in-class security – detect and stop attacks<sup>7</sup>

- A suite of embedded security features help protect your MFP from being an entry point
- Help ensure security of confidential information with optional PIN/Pull printing to retrieve print jobs.8
- Optional HP JetAdvantage Security Manager lets you set configuration.
- Thwart potential attacks and take immediate action with instant notification of security

#### Simply designed to uncomplicate your day

- Set up this MFP fast, and easily manage device settings to help increase overall printing
- Tackle tasks quickly and easily with the simple 10.9 cm colour touchscreen.
- Print Microsoft $^{\circ}$  office formatted files in addition to PDFs right off your USB drive.  $^{10}$
- Avoid interruptions with an HP LaserJet MFP designed to be streamlined for maximum productivity.

#### Sustainability is smart business

- Avoid frustrating reprints, wasted supplies, and service calls using Original HP toner
- Help save paper right out of the box. The duplex print setting is set at default paper savings mode.<sup>1</sup>
- Saves up to 18% energy over prior products. 12
- Help save energy with HP Auto-on/Auto-off technology. 13

# Product walkaround

# HP Color LaserJet Pro MFP M479fdw shown

- 1. 10.9 cm customisable colour touchscreen
- 2. Easy-access USB port
- 3. Front door release button
- 4. Front door (access to HP JetIntelligence toner cartridges)
- 5. Hi-Speed USB 2.0 port, USB port for job storage and PIN printing, 2 Gigabit Ethernet LAN port, Fax port
- 6. 50 sheet ADF with single-pass, two-sided scanning supports media sizes up to 216 x 356 mm
- 7. Flatbed scanner handles media sizes up to A4
- 8. 150 sheet output bin
- 9. Dual-band Wi-Fi with Bluetooth® Low Energy for easy wireless printing and setup
- 10. 50 sheet multipurpose tray 1 supports media sizes up to 216 x 356 mm  $\,$
- 11. Automatic two-sided printing
- 12. 250 sheet tray 2 supports media sizes up to 216 x 356 mm

Data sheet | HP Color LaserJet Pro MFP M479 series

#### **Footnotes**

- Requires an Internet connection to the printer. Services may require registration. App availability varies by country, language, and agreements. For details, see http://www.hpconnected.com.
- <sup>2</sup> Connect printer/MFP to the network and complete customisation through the Embedded Web.
- <sup>3</sup> Wireless operations are compatible with 2.4 GHz and 5 GHz operations. App or software and HP ePrint account registration may also be required. Some features require purchase of an optional accessory. Learn more at http://www.hp.com/go/mobileprinting
- <sup>4</sup> Feature is only supported by the HP Color Laser Jet Pro MFP M479dw, M479fdw, and M477fnw. Wireless performance is dependent on physical environment and distance from access point, and may be limited during active VPN connections
- Feature is supported on the HP Laser Jet Pro M479dw/M479fnw/M479fdw only. Mobile device needs to be connected directly to the Wi-Fi network of a wireless direct—capable MFP or printer prior to printing. Depending on mobile device, an app or driver may also be required. Learn more at http://www.hp.com/go/businessmobileprinting.
- <sup>6</sup> To enable HP Roam, some devices may require firmware to be upgraded and an optional accessory to add Bluetooth® Low Energy (BLE) beaconing capabilities. Subscription may be required. For more information, visit http://www.hp.com/go/roam
- <sup>7</sup> Based on HP review of 2019 published security features of HP in-class printers. HP offers a combination of security features that can monitor to detect and automatically stop an attack then self-validate software integrity in a reboot. For a list of printers, visit http://www.hp.com/go/PrintersThatProtect.
- <sup>8</sup> Pin printing enabled via USB installed in rear of device.
- 9 Instant threat notifications can appear on the device control panel when a potential threat occurs from malicious intent or there is a bug or vulnerability in the firmware code of the device. If this error raises concern, please contact your company IT representative or, if unavailable, HP Support, who can investigate the cause through analysis of device syslog data using a standard SIEM tool from McAfee, Splunk, Arcsight or SIEMonster. The control panel error message may show an error code on a blue screen during code signature checks or memory write intrusions.

  10 Microsoft and PowerPoint are U.S. registered trademarks of the Microsoft group of companies. Feature works with Microsoft Word and PowerPoint 2003 and later. Only Latin language fonts are supported.
- 11 Dependent upon country setup specifications. All new product introductions beginning in Fall 2019 will include consistent worldwide default duplex settings (across bundles/drivers); Spring 2019 will include consistent worldwide default duplex settings for most products across the most common drivers.
- Based on HP Internal testing using normalised TEC Value, 2019.
- <sup>13</sup> HP Auto-On/Auto-Off Technology capabilities subject to printer and settings; may require a firmware upgrade

#### Technical specifications disclaimers

- 1 Measured using ISO/IEC 24734, excludes first set of test documents. For more information see http://www.hp.com/qo/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and
- A Measured using ISO/IEC 17629. For more information see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver and document complexity.
- <sup>3</sup> Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups
- 4 HP recommends that the number of pages per month of imaged output be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.
- 5 First Copy Out from Ready and Simplex Copy Speed measured using ISO/IEC 29183, Duplex Copy Speed measured using ISO/IEC 24735, excludes first set of test documents. For more information see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application and document complexity.
- 6 Local printing requires mobile device and printer to be on the same network (usually Wi-Fi access points bridge wireless to wired connections) or have a direct wireless connection. Wireless performance is dependent on physical environment and distance from access point. Remote printing requires an Internet connection to an HP web-connected printer. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. For more information visit http://www.hp.com/go/mobileprinting. To enable HP Roam, some devices may require firmware to be upgraded and an optional accessory to
- add Bluetooth® Low Energy (BLE) beaconing capabilities. Subscription may be required. For more information, visit http://www.hp.com/go/roam.

  Acoustic values are subject to change. For current information see http://www.hp.com/support. Configuration tested: base model, simplex printing, A4 paper at an average of 27 ppm.
- <sup>8</sup> Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty. Power consumption values typically based on measurement of 115V device.
- 9 Blue Angel TEC is equal to Best TEC. Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty. Energy Star value typically based on measurement of 115V device.
- 10 EPEAT® registered where applicable. EPEAT registration varies by country. See http://www.epeat.net for registration status by country.
- 11 In box cartridges yield: 1,200 colour composite (C/Y/M) and 2,400 black pages based on ISO/IEC 19798 and continuous printing. Actual yields vary considerably based on images printed and other factors. For details see: http://www.hp.com/go/learnaboutsupplies. Pages may vary based on customer printing conditions
