Instructions for Mobile Print on Android

X-CENTRAL

Instructional Summary - Mobile Print on Android

This document will support you in setting up the Android App, creating a User account, and finding and selecting a printer by scanning a QR Code, then saving a printer so you will be ready to print.

THIS IS A ONE TIME INSTALLATION FOR EACH PRINTER.   ONCE COMPLETE, MOBILE PRINTING IS SEAMLESS.

## System Requirements

Android 5.0 or later

You will need your Android and a secondary device, or a picture, to scan the QR code with your phone.
