

REALOGY

## Instructions for Mobile Email Printing

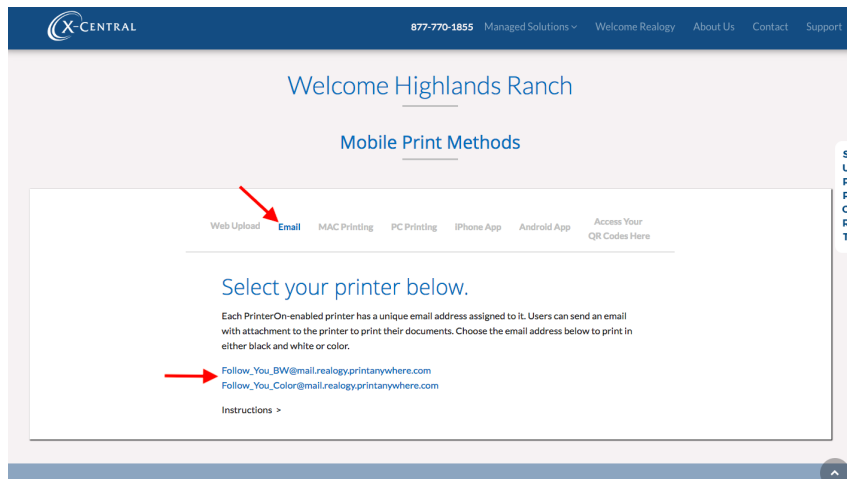

# Instructional Summary - Email to Print

This document is designed to Mobile Email Printing which allows you to send attachments to be printed. Both the body of the email and ALL attachments will be printed.

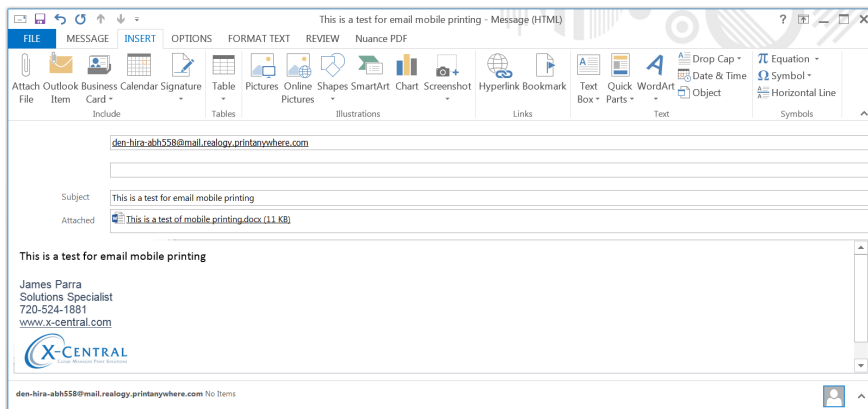

## System Requirements

You are required to use your Realogy email account service. Email accounts such as Hotmail, Google, Yahoo, etc. are not supported.

Open Email> Open the email tab to see the list of emails associated with your print. Select the email to send your print job to a printer. (Your emails addresses may be different from the ones shown)

Save the email address for ease of use.

You will receive an email letting you know your job has printed and is ready for pickup.
